

Missouri Dietetic Association Annual Meeting

Poster Session Registration Form

April 21-23, 2010

(Poster Sessions held on April 22nd only)

Frontenac Hilton Hotel ♦ St. Louis MO

The poster session provides an opportunity to share with colleagues from across the state projects that are innovative and effective in promoting nutrition messages. Poster displays can include information obtained from formal research projects as well as other projects that have been successful in achieving outlined goals with measurable outcomes; such as, but not limited to: food outreach projects, community meal or nutrition related outreach projects, nutrition related health fairs, etc.

1. Poster Session Display

This will be a visual presentation of your program or activity that has successfully achieved project goals with measurable outcomes. You will be expected to attend your poster during all exhibit/poster times during the conference and be able to speak and answer questions about your poster articulately.

2. Abstract (please attach the abstract to the registration form)

One page abstracts should include, but are not limited to:

1. Title and Author(s)
2. Objective - narrative description of project
3. Results - outcome measures
4. Summary - benefits of sharing project with peers

3. Display Space/Equipment & Fee:

To register for a poster presentation, see fee schedule provided below. If you need an easel there is an additional charge of \$10/easel. In order to present a poster, you must pay the Thursday conference fee as described below and you will be able to attend both days of the conference. If you wish to present more than 1 poster, you need only pay the one day fee.

Registration Form

(Use one form for each abstract/poster submitted)
